Dear Ms. Hong:

This is in response to your April 23, 2009 Request for Information under authority of Section 104(e) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. § 9604(e), for the Lower Duwamish Waterway Superfund Site (LDW); our January 11, 2010 response to the same letter requesting a May 5, 2010 extension date for the remainder of our response; and your January 13, 2010 letter granting this extension.

On January 15, 2010, we submitted to you an incremental response for the following six properties: Alaska Communication System, Argo Redistribution Center, Boeing Seattle Plant No. 12, HQ Seattle Region MSSA, Seattle Area Disposal Site; and Seattle Tug and Barge Moorage Site. We are now submitting to you the remainder of our response to your Request for Information regarding the LDW for the following nine properties: Air Force Plant No. 17 (FUDS No. F10WA023600); Air Force Plant No. 75 (FUDS No. F10WA023900); Boeing Field (FUDS No. F10WA025400); Camp George Jordan Cantonment No. 1 (FUDS No. F10WA025900); Camp George Jordan Cantonment No. 3; Seattle Army Chemical Plant (FUDS No. F10WA041600); Seattle District Engineer Office; Seattle Gun Battery Site; and Seattle Transportation Corps Storage Site (FUDS No. F10WA044200).

We appreciate the opportunity to cooperate with your agency on this matter. If you have any questions or need additional information, please contact Mr. Harry Ehlers at (206) 764-6712.

Sincerely,

Olton Swanson, PE, PMP  
Deputy District Engineer  
for Project Management
